## **SABINE MARCELIS**

Ceiling lamp model "Horizontal Bicolor"

From the series "RAY"

Manufactured by Sabine Marcelis

Produced in exclusive for SIDE GALLERY

Rotterdam, The Netherlands 2017

Colored glass tube in blue & green, white neon

### Measurements

158 cm x 0,6 cm diameter

62,20 in x 2,36 in diameter

### Concept

A new collection of lighting which further explore Sabine Marcelis' ongoing experimentation with manipulating light and light as manipulator. The RAY series utilizes coloured glass extrusions with neon tubes weaving in and out; Reminiscent of sun rays breaking through clouds.
