Biography

Sergio Rodrigues was born in Rio de Janeiro in 1927. After graduating in 1952 from the Faculdade Nacional de Arquitetura, he assisted in opening Moveis Artesanal Paranaense, the first modern art and furniture store in Curitiba in Brazil. In 1955, Rodrigues founded Oca, one of the most influential modern furniture companies in Brazil. Amongst his wellknown works are pieces of furniture designed for the Brazilian Embassy in Rome, for the UNB (Brasilia University) and the Teatro Nacional (National Theater in Brasilia). The designer has worked closely with Oscar Niemeyer, as the latter's interior designer of choice for his buildings in Brasilia.
