Bio

Sabine Marcelis is a Dutch designer based in Rotterdam, The Netherlands. A studio for material, installation and object design. Forever in search of magical moments within materiality and manufacturing processes to create unexpected experiences.

Sabine Marcelis graduated from the Design Academy of Eindhoven in 2011, began working as an independent designer within the fields of product, installation and spacial design with a strong focus on materiality. Her work is characterized by pure forms which highlight material properties, being considered her designs to be true sensorial experiences and not simple static works.
