23,6 in x 25,6 h in

Biography

He specialised as a set designer. His design work is notable for its domestic scale, with projects focusing on interior design and leisure spaces. In the 1950s, his company, Martinelli Luce, would stand out in Italian design both locally and abroad, and still does to this day.

Elio Martinelli stands out for his rigorous and simple designs, obtaining clean and neat forms. Nature will be a pillar in his creative process, linked to industrial design.
