## Biography

Marco Zanuso (Milan, 1916 - Milan, 2001) was an Italian designer and architect who belonged to the modernist movement. He is highly regarded for his extensive artistic work, which includes furniture design, industrial design and architectural projects. Due to his way of creating, he explored in detail and achieved results to the issues in the designs with the incorporation of new technologies and marketing. His designs are clearly defined by their great functionality as well as their great external interest.
