Biography

Sabine Marcelis is a designer living and working in Rotterdam the Netherlands. Raised in New Zealand, she studied industrial design for two years at Victoria University of Wellington, and continued her studies at the Design Academy Eindhoven, where she graduated in 2011. Since graduating, she has been operating Studio Sabine Marcelis, working within the fields of product, installation and spacial design with a strong focus on materiality. Her work is characterised by pure forms which highlight material properties.

Concept

Seeing Glass is an ongoing study into optical effects created with glass as the primary material. Through the use of colour, layering and surface finishes, unexpected effects are created which play with ones visual perception and the surrounding space.
